

Poster Guidelines

- **Poster:** The Poster panels will be vertical and the recommended dimensions are: **A0** - 841 mm wide x 1189 mm high. The Organization will provide means to affix your poster in your assigned panel.
- **Poster design recommendations:**
 - On top of the Poster in one or two lines: The Congress Logo in the top right corner, title, author/s name/s, institutions/companies, e-mail addresses.
 - Fonts: for the top Title, etc., and for the heading 36-point type; for the text recommend 24-point and minimum 18-point.
- **Oral Presentation:** You will be informed by the Congress Technical Secretariat on the day, time and location for your Oral Poster Presentation; also the information will be available in the Congress Programme.
The Poster presenters must be available for discussion about their poster during their designated presentation session.
- **Dismantling:** The Posters must be dismantled by the author/s at the period of time established by the Organization. Posters that are not removed by the author/s will be dismantled and destroyed by the Congress Technical Secretariat.
